

# **WINTER WHEELS**

**From 1<sup>st</sup> November**

**All trolleys will need to have  
Winter Wheels in order to be  
used on the 18 Hole Course**

**This policy will be in operation every day  
until at least 28<sup>th</sup> February 2019**

This is to ensure the course plays to its highest possible standard through the winter months and ensures better recovery heading into next spring.

Thank you in advance for your understanding & co-operation
